DISCLAIMER

The information presented by Core Wellness, LLC on www.coremedicalwellness.com is intended for educational and informational purposes only. The information on this website has been posted with good intention; however, we cannot make any warranty or implication toward the accuracy, reliability, validity, or completion of any content that is made available on this website. We do not take any liability under any circumstances to you for any kind of damage acquired as a result of using this website or relying on information that has been published on this website. The information presented on this website does not constitute as medical or health advice and should not be utilized in lieu of professional medical advice. Please consult with a qualified health professional for any of your medical needs. Relying on any information on this website is solely at your own risk.

The testimonials published on this website reflect patients' individual experiences and opinions with our medical professionals. Please note that these experiences are completely personal to those who have received care at CORE Medical & Wellness. These claims are not representative of all patients who have received any of our services. Please do not assume that every patient will have the same experience or result. Each individual experience may be different and results may vary.

The website content may provide links that may direct you to other third-party sites or social media platforms. These external links are not monitored by CORE Medical & Wellness. We do not endorse, guarantee or are responsible for the accuracy or reliability of any third-party websites linked on our site. We are not liable or are a party to monitoring any transactions or engagements between you and any third party for any services.
